Service Bulletin

To: Eaton® Heavy Duty Hydrostatic distributors and OEM customers.

Subject: Models 33 thru 76 Variable Motor Housings.

The housings used on all heavy duty variable motors have been changed. One of the internal oil passages has been eliminated. As a result the variable motor and pump housings are no longer interchangeable.

Use of the new motor housing begins with serial number 11 88 036200.

The drawing below shows the difference between the housings and the table summarizes their part numbers:
